**Subject:** Congratulations & Good Luck in Retirement

Steve – don't know if I will get a chance to wish you congratulations in person so hence the email. Just so you know, I'm right behind you – June 30<sup>th</sup> is my retirement day. Enjoy retirement – you have certainly worked hard. I don't think many people in the Agency realize how much your absence leaves a big hole in the Agency's knowledge of the Upper Animas mining district. Best wishes.
